

Give Kids a Smile Day Totals by Year

Give Kids a Smile-Muskegon is held on the first Friday of February each year at one of the Federally Qualified Health Center (FQHC) dental clinics in Muskegon County. Muskegon Family Care dental and Hackley Community Care dental, alternate as the event host site every year. At this event, free dental services are provided to children with no insurance and no Medicaid coverage. (Medicaid covered children can be seen for routine and emergency appointments at either clinic during the year by calling for an appointment.)
