

Community Substance Abuse Prevention and Treatment Resources Muskegon County

Organization	About	Contact Information
Call -211.org	CALL strives to be a visible and effective access point for persons needing health and human service programs, promoting consumer education and choice of options. CALL211 provides comprehensive information and referral for Muskegon County as well as specialized senior information for Muskegon, Oceana, and Ottawa Counties.	560 Seminole Road Muskegon, MI 49444 231.733.8601 www.referweb.net/call
Public Health Muskegon County	Public Health provides Muskegon County with a wide variety of primary prevention and intervention services. Programs and projects focus on reducing early initiation to alcohol, tobacco, and other drugs; reducing perinatal substance use; decreasing individual and societal consequences of substance use and abuse; and decreasing youth access. While evidence based activities focus on use of community and environmental change strategies, direct programming is available for at risk populations.	209 E. Apple Avenue Muskegon, MI 49442 231.724.6350 healtheducation@co.muskegon.mi.us www.muskegonhealth.net
HealthWest	Healthwest has a wide array of integrated health services designed to meet the needs of adults and youth with serious behavioral health challenges, developmental disabilities , substance use ,and co- occurring substance abuse disorders. Healthwest staff will provide a confidential screening and referral for services by either contacting the access center or by walking in.	376 E. Apple Avenue Muskegon, MI 49442 231.720-3200 www.healthwest.net
Lakeshore Regional Entity	Lakeshore Regional Entity (LRE) is the public behavioral health plan for people with mental illness, developmental disability, and substance use disorders in Allegan, Kent, Lake, Mason, Muskegon, Oceana, and Ottawa counties. The LRE manages the services provided under a contract with the State of Michigan’s Department of Community Health (MDCH) to residents in the region who have Medicaid or are under insured and who are eligible for services as defined by the Michigan Mental Health Code.	376 East Apple Avenue Muskegon, MI 49442 231.332.3836 support@lsre.org www.lakeshoreregionalpartners.org

Muskegon Recovery Center (Cherry Health)	Medication Assisted Treatment. The program provides voluntary admission to those who are currently addicted to an opiate drug and have been addicted for at least one year. Exceptions include pregnant women, persons released from penal institutions within six months, and prior patients. The admission criteria may be waived for these exceptions. Persons under the age of 18 require special admission approval. Approval by a physician required.	1611 Oak Avenue Muskegon, MI 49442 231.767.1921 www.cherryhealth.org		
70x7	70x7 Muskegon is a Christ-centered, job anchored prisoner re-entry program. Focus on employment, peer-to-peer recovery, and removing barriers to self-sufficiency. Provide work readiness training and job placement assistance. Group support meetings and individual accountability and referrals. The outcomes of the program include financial independence and restored community engagement.	1128 Roberts Street Muskegon, MI 49442 connect@70x7muskegon.org www.70x7muskegon.org		
Mercy Health Life Counseling	Mercy Health Life Counseling is a nationally-accredited agency designed to address behavioral health issues that negatively impact a person's well-being. Our staff of state-licensed social workers, PhD psychologists, counselors and psychiatrist work to provide help for a wide variety of stressors. As Muskegon County's only source of intensive outpatient treatment for alcohol and drug abuse, Mercy Health Life Counseling is a leading provider of substance abuse treatment services for adults. We also offer group therapy for adolescents coping with substance abuse.	125 E. Southern Avenue, Muskegon 6401 Prarie Street, Norton Shores 905 E. Colby Street, Whitehall 231-726-3582 www.mercyhealthmuskegon.com		
Eastside Outpatient Services	Mediation Assisted Treatment – This program provides services for those who have become dependent on opiate drugs. The admission criteria is done on a case by case basis after a screening and review by medical staff and also a review of a recent MAPS to track any current and past prescriptions that may affect services. Persons under 18 require an additional review process for admittance. Cash only	Eastside Outpatient Services 445 E. Sherman Blvd. Muskegon Hts. MI 49444 231 739-4359 www.eastsidesac.com
